Submitted at meeting – Written comments by Tom McGowan

Minutes:

TOM McGOWAN, Las Vegas resident, noted that the VERGE project is on Main and Bonanza and that the media reported damages to the Fifth Street School in the amount of \$250,000, not \$1 million, as mentioned by SCOTT ADAMS under Item 7. MR. McGOWAN submitted to the Agency members his proposal for his project, Club Freedom USA, for downtown. He warned that East Fremont Street has to succeed as one, not just the El Cortez Hotel/Casino, although it is very important too, including the recent renovations made to it. The Gold Strike property may also be very important to the successful redevelopment of downtown.

ANTHONY HODGES, 123 Sir David Way, complimented staff on the redevelopment projects presentation, but he urged the City to preserve the landmarks in the process of redevelopment.

TED RUSSELL, Las Vegas resident, felt confident the PowerPoint presentation under Item 7 would be made available to the public on the City's Web. He expressed amazement at all the growth occurring in the City of Las Vegas.

The meeting was adjourned 9:06 a.m.

Respectfully submitted:
